## Notice to Subscribers.

1. New subscribers are being connected daily. If you do not find the name of the person with whom you wish to talk, in this directory, call information desk.

2. When operator calls for "number" give the number of subscriber distinctly, repeating each figure of the number separately.

3. Face the instrument and talk in a moderate tone directly into the transmitter.

4. When through talking return receiver to the hook promptly: your line tests busy until this is done.

5. If you desire a second connection, hang up receiver and take it down again.

6. To quicken service, when called please answer promptly. The subscriber at the other end is waiting.

7. IMPORTANT! Under no circumstances hang up receiver until through talking as this will give a disconnecting signal at Central.

8. Report all errors and inattention of operators to Chief Operator.

9. Report all line and instrument trouble to Wire Chief and if not repaired promptly report to manager's office, number 100.

10. Operators are forbidden to visit over the lines. Their exclusive business is to answer calls. Please do not engage them in conversation. It impedes the service and may cause their dismissal.

11. The use of profane and obscene language over our lines is strictly forbidden.

12. Telephone rates will be given and orders for telephones received at the Home Telephone Building, corner Philadelphia and Bright. Come in and see us, or call us up on Telephone No. 100.
